Working For Coaches who Coach

## Hampshire Coaches Workshops 2010–2011

Formed in 2009 the Hampshire Cricket Board Coaches Association is a group of active coaches from across the county who are working to help improve access to coaching resources and the opportunity for further education.

Throughout the coming months we shall be running a number of district based workshops covering all aspects of coaching from Batting and Bowling through “Fun Games” and into Player Profiling.

It is anticipated that 7 workshops will be run through to February and will be followed up by our annual Coaches Refresher day.

So if you are actively involved in coaching and would like to attend any of our events please visit our website <http://www.hcbca.co.uk> where the events will be posted as dates are confirmed.
